Prezi Corporate

The Imprez Corporate training offering is aimed at those who deliver presentations for their company. This training will enable attendees to understand what is involved in planning, designing and creating a winning presentation.

Each course is dedicated to a single company with only staff from that company attending. This ensures integrity of information and shared knowledge from within the company.

Before the training commences, Imprez will meet you to discuss what your company would like to gain from the training. All Corporate training can be customised for 1 or 2 days.

Prerequisites: Prezi basics

The key topics you will cover during this course:

- Prezi basics
- Mind mapping using company ethos
- Thinking beyond corporate slides
- Creating presentations without start and end points
- Visualising what the 'end goal' is
- Template design aligned with corporate branding
 - Customising templates
- Deciding the correct delivery method
 - Exercise & example

Course length & time: 1 or 2 day(s)

Location of venue: Onsite/off-site
